For restoring to Gray Hair its natural Vitality and Color. A dressing which is at

preserving the restores faded or gray hair color, with the loss and freshness of youth. This hair is thickened, falling hair checked. and baldness often, though not always, cured by its use. Nothing can restor the hair where the follicles are de-

stroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous Its occasional use will prevent the bair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents tion of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and init rious to the hair, the Vigor can only benefit but not harm it. If wante merely for a HAIR DRESSING nothing else can be found so desirable Containing neither oil nor dye, it does
